REGAIN CONTROL

Professional & Business Fee Funding allows you to spread the payment of your invoices over an agreed number of monthly instalments, ensuring that your expenses are more in line with your company's cash flow.

- A choice of monthly instalments will assist your cash flow management
- The Pay by the Month facility is a simple, easy alternative source of finance
- Traditional 'bricks and mortar' security is not required
- Allows retention of existing bank finance lines for more traditional business needs
- Interest rates are fixed, protecting you against interest rate fluctuations and quotes are valid for 14 days
- Helps avoid costly overdraft fees
- Competitive costs
- Credit charges are tax deductible
- The facility can be tailored to suit your needs

FINANCIAL CONTROL
